Portfolio | GitHub | LinkedIn

Professional Summary

Junior FullStack Developer with hands-on experience building secure and production-ready web applications using ASP.NET Core, React, and PostgreSQL. Strong background in REST API development, JWT-based authentication, role-based authorization, and database modeling with Entity Framework Core. Experienced in designing scalable backend architectures and integrating frontend and backend systems. Seeking an entry-level opportunity to contribute to backend, frontend or full stack development teams.

Technical Skills

Backend: C#, ASP.NET Core, RESTful APIs, Entity Framework Core, LINQ, JWT Authentication, Role-Based Authorization, MVC Architecture

Frontend: React.js, JavaScript (ES6+), TypeScript, HTML5, CSS3, TailwindCSS

Databases: PostgreSQL, SQL Server, MongoDB

Tools & Technologies: Git, GitHub, Vercel, Visual Studio, Visual Studio Code

Basic Knowledge: Python, Java

Professional Experience

FullStack Developer (Academic Project)

Los Chiles Technical Professional College | May 2025 - October 2025

Designed and developed a full web-based academic management system for teaching staff administration.

- Designed and implemented RESTful APIs using ASP.NET Core.
- Developed secure authentication using JWT (JSON Web Tokens) including issuer, audience, and signing key validation.
- Implemented role-based authorization with custom policies such as "DocenteOnly" and "AdministrativoOnly".
- Modeled relational database structures using PostgreSQL and Entity Framework Core.
- Managed database schema evolution using EF Core migrations.

- Implemented business logic for attendance tracking, grading systems, and administrative workflows.
- Built responsive and interactive user interfaces using React and TailwindCSS.
- Integrated frontend and backend systems ensuring proper API communication and error handling.
- Participated in requirement analysis, database design, and system architecture decisions.

Education

- Bachelor's degree in software engineering - Universidad Técnica Nacional (UTN) | 2025
- English for Work Program Modules 1 and 2 - Universidad Técnica Nacional (UTN) | 2024
- Information and Communication Technology Operator - INA | 2024
- Data Manipulation with SQL - INA | 2024
- JavaScript Essentials 1 - Cisco Networking Academy | 2024

Skills

- Quick Learner
- Problem Solving
- Continuous Improvement
- Adaptability and Flexibility
- Teamwork

Languages

Spanish: Native

English: Intermediate (B1) – Fluent technical reading, basic conversation.
